Technicolor Farm & Garden Mystery Daytrip

Saturday, October 10, 2020

This is no ordinary farm or garden. The first stop is fall paradise on a family farm. There's also an historic venue where we will be served a delightful lunch, followed by an afternoon strolling in a spectacular setting featuring lush plants and unusual colorful garden art forms. There is some walking involved but you will be surrounded by amazing beauty well worth the effort. Come along!
